

Oxford Farming Conference Council Application Form 2022 - 2024

The Oxford Farming Conference (OFC) is a charity and a limited company. The conference itself, which runs in early January every year, has become ever more high-profile within the farming industry, but more importantly to wider audiences and stakeholders. The OFC's mission is to 'Inform, Challenge and Inspire'.

The conference is designed and run by the OFC Council, a secretariat team and a marketing professional.

The OFC Council is made up of 10 voluntary directors, one of whom is the treasurer. With the exception of the treasurer, each director serves a three-year term. In other words, the make-up of the Council changes every year, with three new directors joining and three retiring. Its members are drawn from a range of agricultural, agri-business, land management and food industry areas.

The chairmanship of the OFC changes each year too, with the Chairman being chosen by the Council from among the three directors serving their third year.

The annual report and accounts are available from the [Secretariat](#)

The OFC is a charity with a remit to educate and transfer knowledge in the agricultural sector. As part of our charitable undertakings, the OFC sponsors young people to attend the conference, to travel overseas and it seeks to develop emerging leaders. The OFC has also partnered other organisations in the sector on specific initiatives, including a debate at the Royal Highland Show.

Each year the skills required change depending on the Directors selected the previous year so if you are not successful we would encourage to re-apply.

The requirements of an OFC Director

The OFC seeks three new directors annually, one of whom will take the role of Chairman of the OFC in their third year as a director. The positions are wholly honorary but reasonable expenses are reimbursed.

We are now inviting expressions of interest for joining the Council for the 2022-2024 conferences; applicants **MUST** have attended the conference at least twice for their application to be considered.

Those selected as members will be invited to attend council meetings immediately prior to conference (prior to formal appointment), usually November/December and will then be expected to attend approximately eight Council meetings each year (some are teleconference meetings), and the Oxford Farming Conference itself for their three-year term in office. Heavy use of IT is made (documents are shared through Dropbox, for example).

In addition to meetings, the time commitment of directors is expected to be 1-2 days per month, perhaps more depending on particular responsibilities taken on. The time commitment of the Chairman is considerably greater.

Successful candidates will be expected to attend the 2021 Conference. Reasonable accommodation and travel expenses will be paid (full details of the expenses policy can be obtained from the secretariat by emailing secretariat@ofc.org.uk).

The Council, as a team, needs a breadth of experience across the public, private, voluntary and non-governmental sectors in the agri-food and land management areas. Every year we will select applicants based on their skills, contacts and also their complement to the directors already on Council.

Core skills and attributes that we seek from Directors are –

APPLICATION

The OFC believes creating an inclusive and diverse culture supports the attraction of talented people, improves effectiveness and enhances the success of OFC. While criteria such as gender or ethnicity are important, we also value diversity of experience, skills, knowledge and expertise, as can be seen by the existing members of our Council listed on our website. Our Board brings together people with different experience and backgrounds, and sometimes divergent opinions, but with shared goals.
